### 3.0 MAJOR CHALLENGES AND SOLUTIONS

All youths mostly were under their parents so difficult for them to make decision related to initiating micro businesses. FF always build relationship with youth families/parents. The purpose was to motivate, encourage and explain about what were the benefits of something done by their children that joined YEs project.

### 4.0 MAJOR INSIGHTS AND LESSONS LEARNED

Sharing love to the youth was effective.

### 5.0 THE COMMUNITY

The community of PPC-YEs is youth, youth's families, villagers, local authorities, PPC-YEs staff and donors.

### 6.0 GENDER ISSUES

## PPC-BFP 6 Monthly Report

PPC-YEs based on the criteria/gender balance. Approximately 83% are female (29 females/35 youth).

YSG leader is female, the villagers understood that the female have the same rights as male. Hopefully gender balance will be continuing and growing well and enjoyed by all stakeholders.

### 7.0 NETWORKING AND GOVERNMENT RELATIONS

The PPC-YEs networking with Temple Garden Foundation (TGF) organization, shared whatever we could help/cooperate together; PPC-YEs continued trying the best to build network with other NGOs when it was possible.

### 8.0 ENVIRONMENT

N/A

### 9.0 HUMAN RESOURCE DEVELOPMENT

PPC-YEs staff joined regular staff meetings at PPC Office to share and learn from other projects/programs under PPC.

FF has regular meeting with ED at PPC-YEs office at Siem Reap province normally once a month.

PPC-YEs staff joined Sales and Marketing training at Sunshine Center Cambodia by PPC Executive Director.

PPC-YEs was willing to send the staff to attend trainings when we have enough funds.

### 10.0 MONITORING/EVALUATION ACTIVITIES

PPC-ED visited the project field and did follow up by phone calls and met with Youth and YSG leader. FF visited the project fields and gave the visit reports/monthly reports to ED and shared the challenges and solutions. ED read the reports and gave comments to FF. PPC Executive Director and PPC Advisor visited PPC-YEs field and gave more advice.
