

### REPORT ON RECONSTRUCTION AND REPAIR OF CHILD HOUSES May - July, 2013

Pioneering Partner in Cambodia (PPC), Bright Future Program is one of PPC’s projects/programs which working based on child sponsorship in education. In 2013 PPC-BF Program targeted 150 children in two difference areas/provinces (Kandal Province and Phnom Penh Royal Capital). There are 90 children were receiving sponsorship start from April, 2010 – June, 2013.

PPC Executive Director contacted a child sponsor from Australia, she planned to visit Cambodia during April and wanted to meet PPC Director on April 11, 2013 at 4pm. They came 2 persons and met with PPC team (PPC director and a Child Support Worker), the result was good she added supporting one more child of PPC-BFP (before they were supporting a child already), we had an appointment on April 18, 2013 to look around the villages where were children are living (Sen Sok Primary School and River of Life school).

On April 18, 2013, we visited both areas, they donated \$ 2,000 to replace the Church roof and \$ 2,500 to re-builds and repairs 11 children houses that we agreed during visited. The PPC Director explained to both of them that PPC wants to see the contribution from families of children from % 15 - % 25 of total budgeting, the sponsors agreed with a good approach, finally they agreed to contribute % 20.

PPC-BFP called Building Committee (2 from PPC, 1 local Pastor and 2 from RoL), the committee started preparing budget plans, collected the contribution before the repairs and rebuilds. After planned it seems that the funds will be benefited to **12 families/houses** there were C0079, C0072, C0007, C0019, C0049, C0005, C0063, C0099, C0120, C0088, C0078 and C0058. The committee prioritized 12 houses (there were a lot of house needs to repairs and rebuilds) and started repairing/rebuilding, it was 6 houses at Sen Sok and 6 houses at River of Life School areas.

It was more than **60 direct beneficiaries** and beside this there are around **240 indirect beneficiaries** such as: brothers, sisters, nephews, nieces and neighbors were received benefit from these repairs/rebuilds.

Until July 12, 2013 there were 11 houses finished repairs/rebuilds and 1 house bought materials already but waiting until the election 2013 finished (the authority said). That dates the committee celebrated houses opening ceremony at River of Life area, there were 12 members from 6 houses, 3 from local Church, 7 from school and 3 from PPC joined blessings program. The local Pastor blessed each houses one by one total 6 houses. Before the program the participants shared what they wanted to share made the program finished by fun and smile. On July 16, 2013 PPC-BFP joined houses opening ceremony at Sen Sok area, led by local Pastor. There were 5 houses had been blessed by the team (3 PPC, 4 local partners and 4 house members) and other one house waiting after Election (C0058).

"In my life I never hope that I have a good house like this, but now I got it, thanks PPC, thanks Church and especially thanks to sponsors" (C0088 grandmother said... hoping face)"

PPC-BFP team decided to combine from 2 difference areas in to one report, and other 1 house at Sen Sok will send pictures later, CSW estimated during early August 2013 will arranges the date for process building and blessing.

"Before I worried about my children at home when I was at work in the raining season, as the rains came from the roof and the walls, we could not sleep at night time, the waves made the house unbalancing, but now my house so new and strong I am very happy, to response this I am promising that to assisting my children to go to school and encourage them to study at home (C0049 father said)"

**\* How many items they receive?**

N <sup>o</sup>	Items received/Family	Areas	Rebuilt	Repaired
1	House of C0079	RoL	1	0
2	House of C0072	RoL	1	0
3	House of C0007	RoL	0	1
4	House of C0019	RoL	0	1
5	House of C0049	RoL	1	0
6	House of C0005	RoL	0	1
7	House of C0063	Sen Sok	0	1
8	House of C0099	Sen Sok	0	1
9	House of C0120	Sen Sok	0	1
10	House of C0088	Sen Sok	1	0
